Excellency, Dear Minister

Deeply shocked over the major terror incident and the human tragedy that unfolds which hits Norway and the people of Oslo, I would like to express my deepest condolences, sympathy and solidarity with the Norwegian people and the Norwegian government at this very distressing time.

My special thoughts are with the young people targeted by the attacks to the camp at Utoya and with the families and relatives of the deadly and injured victims.

These are horrifying attacks that affect the whole world. No country, no society, no group are immune from the risk of terror and barbaric violence. This is why all societies and peoples need to stand together to fight against extremism and prevent this kind of terror from happening.

To H.E. Mr. Jonas Gahr Store

Minister of Foreign Affairs

Kingdom of Norway – Oslo
