Learning Objectives:

Use these clips to learn and discuss subjects such as gaming, internet safety, creativity, coding, privacy, books, libraries, illustrations and many more subjects.

Pedagogical Approaches and Activities:

The PBS Off Book series is a series of short clips regarding art, internet culture and other youth related issues regarding creativity and art. Dependent on what you are teaching right now watch episodes of this series to get better information regarding different type of literacies all within MIL such as: games-, internet-, digital-, information-, mobile-, computer-, news-, television- or advertising literacy. The clips are about 7 minutes long. So watch a clip with your students and then discuss it with the help of Pedagogical Approaches and Activities found in [Module 8 unit 2](#) [Module 8 unit 3](#), [Module 7 unit 1](#), [Module 7 unit 2](#) dependent on what issue the clip discusses.
