Learning Objectives:

Use the Pedagogies of Media and Information Literacies handbook lesson plans to practise MIL

The Handbook provides teachers with basic knowledge on media and information literacy, and the way these skills can be taught.

Pedagogical Approaches and Activities:

As a teacher use the Handbook to dive deeper into MIL. Use the modules in the Handbook and correlate them to the ones in the MIL curriculum. Then use the lesson plans within the Pedagogies of Media and Information Literacies handbook. These can be found on pages: 25-29, 48-54, 75-78, 97-106, Use these lesson plans to further practice and work on the Pedagogical Approaches and Activities in [module 1 unit 1, 2 and 3](#).
