Pedagogical Approaches and Activities:

Bobby McFerrin demonstrates some of the thing we have in common as human beings. Watch the clip and discuss how he demonstrates this. Discuss and list the different kinds of Media and Information that are used in the clip. How does the use of media influence and affect the Intercultural dialogue? What is the pentatonic scale? Where and how is it used? The named of the lecture is called in search of a common chorus – let the students discuss and reflect on how with the help of MIL you can find a common chorus in different kinds of media. McFerrin uses music to teach – discuss and reflect on how you as a teacher can teach MIL in a similar way as he does. With the help of the clip reflect on the Learning objectives in Module 9 unit 1 and unit 2.
