

MIL LESSON PLAN

LESSON PLAN:		MIL – module and unit	M9u1 M9u2 M1u4
Subject / Theme:	Languages, art, Social Studies, Education		
Topic:	School and Creativity		
Lesson Title:	Does school kill creativity?		
Level:	Secondary, Tertiary	Lesson Duration:	

Learning Objectives:

Learn how MIL might help creativity within your school system.

Pedagogical Approaches and Activities:

Use the film and what it says about teaching, learning and creativity as a starting point for discussions on teaching and learning MIL in the classroom. Show the clip to your students and let them decide in which ways teaching MIL might help and develop creativity in schools all over the world? Use the examples in the film and with the help of the Pedagogical Approaches and Activities in [Module 9 unit 1 and 2](#) give more examples on how MIL might be used to change education.
